

protection against allergy, sun

individually adjustable

CAT BODY

The solution for all cat lovers

The VetMedCare products offer pleasant wound protection for your darling - the alternative to the annoying medical cone!

... ideal for covering wounds in the anal area, castration, etc.

- with extra-long neck
- with four short legs
- double label loops for fixing collar
- comfortable seating, easy on and off
- should be worn snugly and is like a second skin
- hygienically clean because washable up to 60 °C | 140°F
- Protects the animal skin from allergies, irritations and sun
- Chemical-free tick protection
- Protects wounds from dirt, licking and scratching
- The Body is optimally adjusted to the animal's anatomy
- Does not hinder urination or defecation
- Breathable and quick-drying

The material is made of 90% polyamide and 10% elastane. Thanks to this combination, it is quick-drying, washable at a temperature of up to 60°C /140° F and breathable, thus supporting the healing of wounds and the regeneration of the skin.

As the material is also run-proof, this allows for multifunctional usage.
