

GROOMING GLOVE

Innovative pet solutions

The VetMedCare grooming glove is recommended by veterinarians for grooming:

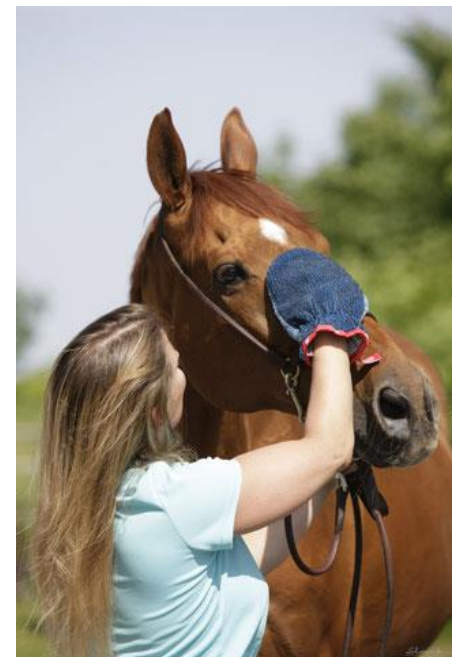

- Cleans the coat of horses, dogs and all short-haired pets
- 2 sides: "strong" for the preliminary cleansing and "soft" for the finishing / the splendor
- removes dirt in hard to reach places
- Gives the fur an incomparable shine
- Special bristles in the glove allow the cleaning and massage effect
- Supports the blood circulation
- Animated and promotes the flow of fascial
- Suitable for stain removal with white fur
- For dry and wet cleaning
- Washable up to 60°C / 140°F

Available sizes:

- S – for children hands or for adults with 3-4 fingers
- L - with rubber band on your wrist
