HORSE PRODUCTS

Intelligent medical solutions

The VetMedCare products offer pleasant wound protection for Horses.

- **Horse – leggings front and back**
- **Horse head-ear protection with fringes or without eyes cutout or head-ear protection up to the withers**
- Ideal wound protection after operation
- Protects wounds from dirt and chafing
- Easy to use and ergonomic fitting
- protects against mosquitoes and flies
- UV protection
- Helpful against summer eczema especially the Head-ear protection up to the withers
- closed, protected ears
- easy to wear under headgear or saddle
- Opportunity to fix sterile wound pad with our patented snap fastening system
- Protects the animal skin from allergies, irritations and sun
- Chemical-free tick protection
- Breathable and quick-drying

The material is made of 90% polyamide and 10% elastane. Thanks to this combination, it is quick-drying, washable at a temperature of up to 60°C /140° F and breathable, thus supporting the healing of wounds and the regeneration of the skin.

As the material is also run-proof, this allows for multifunctional usage.
