

SAFETY BAG

Innovative outdoor solutions

The Safety Bag provide protection against wind, rain, cold and moisture emanating from the soil. The ultra-light, water and dirt repellent blanket are the perfect companion on any hike.

- Developed together with the Austrian mountain rescue
- Two-in-one first: "sleeping bag" and blanket at the same time
- Primaloft insulation: extremely light and warm
- The safety corners allow rapid localization even in poor visibility
- Can be used with open zipper as a large sun roof -> space for dog and owner
- Sophisticated boxing system - can be packaged in itself
- With carabiner to fix at the backpack etc.
- Low weight 0.3kg
