Food Safe

# TOY BALLS KOGEL&DRUM

## Play and fun

Since most of the dog balls and treat balls in the market were too rigid for our dogs, it was decided to make one that would feel more comfortable while using a food safe material.

We know that the dogs will love the design of the products. This soft material can withstand puncture and tear. The main concern is our dogs security so only food safe TPR material that is exempt from BPA and BHT has been used. Your dog will enjoy the feeling of this material and will be on for hours of playing.

Designation	Item number	Description	Color	Size
AIK-BAL01-PK-S	188094000462	Toy Balls Kogel	Pink	small
AIK-BAL01-PK-M	188094000332	Toy Balls Kogel	Pink	Medium
